THE MAGIC OF THE MOMENT

When you're looking for an engagement ring, a wedding band or an anniversary band, it's easy to be swept away in the moment.

The emotion . . . the significance . . . can be overwhelming. You want to give a ring that reflects your love.

We're here to say, "Don't get carried away." There are those who will happily sell you the biggest diamond for your money. But that's not the measure of your commitment or of the diamond.

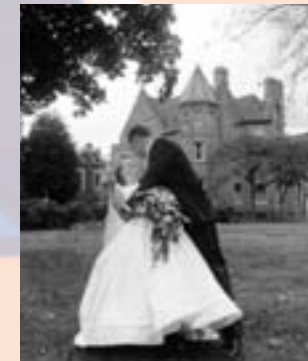

At Marc Williams Goldsmith, we know diamonds. We'll take the time to show you what makes one diamond more valuable than another. We'll compare clarity, cut, color and carat weights. We'll work within your budget, and make sure you get the finest quality for your investment.

We'll help you choose a diamond that truly captures the magic of the moment . . . and reflects the promise of tomorrow.

With this ring, you will begin a life-long journey together . . . a journey of discovery, wonder, love and happiness.

An occasion of such import deserves an engagement ring from the galleries of Marc Williams Goldsmith. Every ring in our collection has been hand-crafted from the finest gold and highest quality diamonds available . . . resulting in a ring of enduring beauty and value.
